

HMK® P24 Liquid Stone Soap

“No Rinse“

Special PH7 neutral protective cleaner for maintaining all types of natural and artificial stone and tiled surfaces.

Extremely economical coverage. Suitable for all surfaces, including polished.

Regular use forms an invisible dirt repellent shield that helps to support the existing impregnation.

HMK® P24 is a 100% natural PH 7 neutral concentrated natural soap for daily use. It's highly active ingredients quickly and thoroughly clean and protect all natural and artificial stones, brick paving, clay tiles and unglazed ceramic and porcelain tiles. P24 has been specially developed to form an invisible dirt repellent film that helps to support existing impregnation, making regular maintenance easier.

If used regularly, the colour of the treated surface become more vivid and its resistance to stains is increased. The water soluble components prevent streaking and restrict the build up of soap residue.

Instructions: For regular use add approx 25-50 ml for every 10 litres of clean water and mop the surface as usual wringing the mop regularly in same solution. When the water becomes dirty replace it with the same solution of P24 and clean water. Do not re-mop or rinse areas once cleaned.

Use P24 daily in commercial areas and once or twice a week in residential areas. P24 can be used in automatic floor scrubbers.

Coverage: Up to 730m² per litre on commercial installations depending on level of dirt.

Warning: Chemical product. Keep out of the reach of children and safe from frost.

Packaging: 12 x 1 litre bottles/box; 4 x 5 litre cans/box; 2 x 10 litre cans/box.

Storage: Store in a cool place. Do not allow to freeze.

Testing: Always test the product in an inconspicuous area to evaluate suitability, coverage and performance. Do not use the product in temperatures below 12 and above 25 °C.

Limitation of liability: The liability of HMK® Moeller Stonecare for defective products and any claims for damages whatsoever is limited to the purchase price of the products. HMK® Moeller Stonecare shall not be liable for any consequential damages. No other warranty or representation is made or implied.
