

# HMK® R70

## External Stone Cleaner

### -acid free-

Special concentrated cleaner for removing moss, vegetation and general dirt from paths and patios.

Fast working and effective treatment for all natural and artificial stones.

Suitable for polished surfaces.

For external use only.

HMK® R70 is a special long lasting acid free concentrated cleaner that removes general dirt and eliminates and prevents the reformation of moss, mould and other vegetation from paths, patios, walls and steps made from natural and artificial stones and other forms of external paving. Even extremely dirty surfaces will become clean and bright again.

R70 does not damage polished surfaces.

**Important:** Do not apply in direct sunlight. R70 causes discoloration on textiles. Protect plants and lawns against splashes. R70 should be used within 6 months.

**Instructions:** Dilute R70 with water 1:5 and spray thoroughly and evenly onto a dry surface using a watering can fitted with a rose or "T" bar. Leave the application overnight to work and rinse off the next day with fresh clean water using a scrubbing brush or broom. R70 can be used undiluted in the case of very strong contamination.

We recommend the application of an HMK® impregnator (e.g. HMK® S32w Water Based Impregnator or HMK® S34 Stain Protection -Oil and Water Stop-) to keep surfaces clean for longer.

**Coverage:** About 20-30m<sup>2</sup>/litre.

**Warning:** Chemical product. Contains surfactants, caustic solutions and auxiliary agents. Avoid eye/skin contact. If exposed, wash/flush with water and seek medical attention. At all times wear suitable protective clothing (gloves, masks, boots, etc...). Keep out of the reach of children. See Material Safety Data Sheet for more detailed information.

**Packaging:** 4 x 5 litre cans/box; 2 x 10 litre cans/box.

**Storage:** Store in a cool dark place out of the reach of children.

**Testing:** Always test the product in an inconspicuous area to evaluate suitability, coverage and performance. Do not use the product in temperatures below 12 and above 25°C.

**Limitation of liability:** The liability of HMK® Moeller Stonecare for defective products and any claims for damages whatsoever is limited to the purchase price of the products. HMK® Moeller Stonecare shall not be liable for any consequential damages. No other warranty or representation is made or implied.
